

Alysson F Victoria

DESENVOLVEDOR WEB

I am currently an academic at the Federal Institute São Paulo in Systems Analysis and Development. I have 2 years of studies in Civil Engineering, 1 year of management in a restaurant. More than 1 year ago I made a career transition to the software development area and am working as a freelancer. My main skills include: : **C, ReactJS, TypeScript, .**

EXPERIENCIA

Freelance , *São Paulo*

Desenvolvedor Frontend

Agosto 2022 - Presente

Projeto : **Site Aline Lima | Fotografa**

- Website with a simple and intuitive interface to learn about the professional's work and request a quote. Developed to meet the client's needs, providing the best way for their work to be presented to their audience.
- Technologies: NextJS, TailwindCss, Sass.
